## **Oakland Borough**

is not just a place; it's a community treasure.

Join the Oakland Borough Council and Founders Committee and be a part of a committee to preserve, enhance and create lasting memories in our beautiful park. We are looking for pictures and names of the founders who helped build the Park and Baseball Field. As well as a review committee to ensure historical accuracy and highlights.

If interested please contact Oakland Borough at 570-853-3214 or [oaklandborough@gmail.com](mailto:oaklandborough@gmail.com) to express your interest about how you can become a member.
